PROFESSIONAL SUMMARY

Creative and detail-oriented UI/UX Designer with a strong foundation in user-centered design, visual design, and usability principles, complemented by 1.5 years of professional experience as a Graphic Designer and Video Editor. Experienced in designing intuitive web and mobile interfaces, wireframes, interactive prototypes, and visually compelling graphic and video content. Skilled in translating business requirements into elegant design solutions while maintaining consistency, accessibility, and modern design standards.

Alongside professional experience, actively working as a Freelance Graphic Designer, Video Editor, and Photographer, delivering creative branding, marketing, visual storytelling, and photoshoot projects for clients. Experienced in producing high-quality visual content, editing engaging videos, and capturing professional photography tailored to diverse business and personal requirements. Passionate about creating meaningful digital experiences that seamlessly balance aesthetics, functionality, motion, photography, and strong visual communication while delivering impactful, user-focused design solutions.

EXPERIENCE
