About me

Creative and detail-oriented UI/UX Designer with a strong foundation in user-centered design, visual design, and usability principles, complemented by 1.5 years of professional experience as a Graphic Designer. Experienced in designing intuitive web and mobile interfaces, wireframes, interactive prototypes, and visually compelling graphic assets. Skilled in translating business requirements into elegant design solutions while maintaining consistency, accessibility, and modern design standards. Passionate about creating meaningful digital experiences that balance aesthetics, functionality, and strong visual communication.
